GREETINGS

Editorial

Traditionally, the end of the Year is a time for reflection, and on reflection, it hasn't been a bad 12 months for the White Nationalist Movement.
In EUROPE, we saw millions of our Aryan Kith and Kin freed at last from the slavery of Communism, and the re-unification of the German people after 45 years of enforced seperation. German Nationalist parties gained support on all Fronts, and at Wunsiedel, Bavaria, over a 1000 Nationalists from all over Europe gathered to pay homage at the grave of the European Nationalist Martyr RUDOLF HESS. Afterwards, a meeting was held to plan for our joint European Future .
In FRANCE, Jean-Marie Le Pen's FRONT NATIONAL survived several minor crisis, to emerge stronger, and more determined than ever. Public support for the FN grew, and this was reflected at the ballot box.
Similarly in FLANDERS, we saw spectacular electoral victories by the Flemish Nationalist party, VLAMMS BLOK.
In the UNITED STATES, our old friend DAVID DUKE survived a vicious dirty-tricks campaign to poll an incredible 605,000 votes in his Louisiana campaign for a seat on the U.S. Senate.
In SOUTH AFRICA, Nationalist leader EUGENE TERREBLANCHE, faced a similar smear campaign. He also was victorious, and vowed to continue the fight against the ruling race-traitors that were trying to sell out the South African Whites.

In BRITAIN, 1990 saw the end of the "Green NF". Although disliked by the majority of the British Nationalist Community, the "Greens" did a final service to us all, by exposing the whereabouts of "Searchliar" publisher Gerry Gable, much to Gerry's embarrassment.

The "other" NF, publishers of the "Flag" newspaper, formally registered the name NATIONAL FRONT as a limited Company, after winning a battle with left-wing members of the NALGO union, who opposed the move.
Later in the year, both the BNP and the NF announced that they would again be taking part in elections. In East London the BNP frightened the hell out of the multi-racialists by polling 12.5 % in a local council election.
Also in London, the FRIENDS OF OSWALD MOSLEY hosted an 80th birthday party for Lady Mosley. At the dinner, Lady M gave a memorable speech to over a 100 friends, both old and new.

Now as we prepare to enter 1991, we must all realise the enormous Struggle that we face in the New Year. For in 1991 we face a battle for survival, perhaps the FINAL ONE. For militant Jewish groups and their Moslem counterparts are uniting in a campaign for legislation to end the tiny fragments of FREE SPEECH that are still available to us. Legislation against "Denying the Holocaust", Legislation against the exposing of the "Evils of Multi-Racialism" and Legislation against the very existance of White Nationalist groups who wish to establish a NEW ORDER, a NEW WAY OF LIFE. All are demanded by these Aliens that now occupy Our Land.
In the Struggle to come, some Nationalists will fall by the wayside, yes, those that are faint in Heart. But we of the League of St George are made of sterner stuff, we will continue our Sacred Struggle OVERTLY or COVERTLY, whichever is neccessary.
Following in the Spirit of St George, we will Fight until Victory against the twin Dragons of Zionism and Multi-Racialism that seek to first subjugate, and then destroy our very RACE and NATION.
To Friends and Foes alike we give this HOLY VOW, We will give not only our Material Resources, but our Moral and Spiritual Being, Our Very Life, and Our Very Soul in Holy Dedication to Our Race and Nation:

WE WILL BE TRUE, TODAY, TOMORROW, AND FOR EVER !!!!!! HAPPY NEW YEAR !!!!!

UPROAR AT ANTI FASCIST MEETING

The first ever "Public Meeting" of the newly-formed, JEWISH ACTION GROUP, was disrupted when several Asian members of the audience walked out claiming that J.A.G. was "RACIST".

The Asians claimed that two fellow members of the Newham Monitoring Project, a council funded group set up to "..monitor Racial Attacks", were banned from entering the meeting on the orders of GERRY GABLE, the editor of the anti-fascist " Searchliar" magazine, which seems to be heavily involved in the new organisation.
The two exiles, Unmesh Desai and Asad Rehman, were banned said a JAG official, "..because they were members of a TROTSKYITE, ANTI-ZIONIST ORGANISATION". The organisation wasn't named.
Leading the walkout was NMP secretary, Jasir Singh, who protested that "our Black brothers have been turned away". Mr Singh also complained that before being allowed to enter the meeting, he had been forced to submit to a "Body Search" by the security men provided by, the Jewish Board of Deputies .

Our "SENTINEL" mole, who did manage to get into the hall, reported that the meeting continued peacefully, but the few Black and Asians who remained, seemed to be kept under close scrutiny throughout, by the Board of Deputies "Bouncers".
The main speakers were Gerry Gable and Graeme Atkinson from "Searchliar", and their ex-Nazi puppet, Ray Hill.
After the meeting, a spokesman for JAG denied that the organisation was racist. When questioned as to why Mr Desai and Mr Rehman were refused entry, he replied "We were not responsible for the Security".

Two days later, another meeting of JAG was similarly controversial, when Mr Tele Amulundun, a South London RACE EQUALITY OFFICER, claimed that he too had been stopped and searched by JAG security, and felt that he HAD BEEN SINGLED OUT, BECAUSE HE WAS BLACK.....

LONDON.

A former President of the Board of Deputies, Professor Geoffrey Alderman, faced calls for his resignation when he addressed a Board meeting in London recently.
Professor Alderman has upset fellow Jews because of his views that "..there was acceptance of financial wrong-doing in certain sections of the Jewish community..". But, despite the criticisms, he maintains that his comments on financial behaviour are accurate. "Many circles in Anglo-Jewry don't bat an eyelid about financial wrong-doings" he said, "..I have not heard of one Rabbi who has publicly condemned the Guiness Gang, and I don't think that any harm would come by telling the truth", Professor Alderman concluded...

Three BNP supporters and four supporters of ANTI-FASCIST ACTION were arrested following a clash in East London's Brick Lane market recently.
The "anti-fascists" had tried to take over a paper-sale pitch traditionally used by Nationalists. The following week, both BNP and NF paper sellers were back, but there was no sign of the AFA...

TYNESIDE

The BRITISH NATIONAL PARTY have caused a storm of protest from local Labour councillors, over their decision to leaflet schools on Tyneside. BNP North-East Regional Organiser Bill Owen said "..all the political parties do it, and I don't see why we shouldn't".
The local assistant director of education, Gwilym Lloyd-Williams, has condemned the move, "..as undermining the councils policy on Racism", but Mr Owen maintained that "the BNP needed to leaflet schools to offset the COMMUNIST PROPAGANDA being forced down children's throats by left-wing teachers".

A Newcastle based youth group, the WHITE YOUTH MOVEMENT, has been refused a grant from the local City Council, because THEY ARE WHITE. The W.Y.M. requested financial aid from their local council to help fund a project "..to preserve and promote the Heritage of White Youth in the area.." but the request was refused. Council leader, Jeremy Beecham, agreed that "..money was allocated from the Council to a group working for Black and Asian Youths.." "but these have faced discrimination" he said.
A statement issued by the White Youth Movement's President, Mr Kevin Scott, said "We seek to organise and educate young White youths in the Newcastle area, and pursue aims and objectives that we feel are positively neglected at the moment."

BRADFORD.

Mr Robert Tenney, the NATIONAL FRONT candidate in the recent Bradford bye-election, polled 305 votes in this predominantly Asian area..

SOUTHAMPTON

A White woman alleged to have continually insulted her Black neighbours, HAS BEEN EVICTED FROM HER COUNCIL FLAT by Southampton City Council.

CHESHIRE

Two White women probably made history as the first White's to win a "DISCRIMINATION" CASE AGAINST AN IMMIGRANT recently. The women, both shop workers, claimed that they had been unfairly dismissed, after they told their new Chinese employer, of customer complaints about his practice of putting GARLIC into the frying oil, prior to cooking Fish and Chips. The women recieved "a handsome financial settlement"...

LONDON

The Commission for Racial Equality are demanding new legislation, introducing U.S. style "positive discrimination" into Britain. The C.R.E. told the Government's Employment Select Committee that such a move was necessary as Blacks and Asians were finding it DIFFICULT TO FIND WORK.

BRITISH NATIONAL PARTY supporters leaving their Annual Rally, are being blamed for attacking 22 year old Arthur Neslen at nearby Gants Hill tube station. Neslen, who has been active with left-wing groups such as ANTI-FASCIST ACTION and the NEWHAM MONITORING PROJECT, claimed that he was attacked as he attempted to remove a BNP "LOVE THE WHITE RACE" sticker from the wall of the station escalator.
Neslen's mother, Diana, herself an activist in the Jewish Socialist Group, said "I always feared that something like this would happen".
Police are looking for three smart young men aged about 20, with short hair.

A Home Office source has revealed that over 25,000 immigrants have arrived in Britain this year posing as refugees. This compares with just under 5000 in 1988.
A Home Office minister has admitted that "..there is increasing evidence that arrivals of Asylum-seekers have ben organised by middle-men and agencies that specialise in bringing people to Britain. IT IS BECOMING A LUCRATIVE BUSINESS".
Most of those claiming refugee status come from Sri Lanka, Somalia and India
The Home Secretary, David Waddington has promised to set up a special committee "..to study the problem.."

OVERSEAS NEWS

UNITED STATES

The Republican Senate candidate for the state of Louisiana, Dave Duke, survived an un-precedented zionist smear campaign to poll SIX HUNDRED and FIVE THOUSAND VOTES, over 44% of the state-wide total. Although beaten by the Democratic incumbent, Senator Ben Johnston, the former Klan Grand Wizard won 25 of Louisiana's 64 parishes, as political constituancies are called in the U.S.
Dave Duke, who some years ago, entered Britain secretly, to speak at a League of St George meeting, after being banned by the Home Secretary, already has a seat in the Louisiana State Assembly, and is now being tipped as a future Presidential candidate.

DAVID DUKE

After several years of legal wrangling, Willis Carto's LIBERTY LOBBY, and the INSTITUTE FOR HISTORICAL REVIEW, now look set to recieve almost THIRTY-FIVE MILLION DOLLARS left to them in the will of a wealth American woman who died in Switzerland in 1985.

The U.S. Secretary of State, James Baker, has agreed to loan Israel $400 MILLION DOLLARS to build houses for Soviet Jewish immigrants that are flooding into Israel at the rate of 20,000 per month. The loan was to be conditional on Israeli behaviour towards the Palestinians living in the occupied territories, but this condition was rejected by the all-powerfull zionist lobby in the U.S. Congress.

GERMANY

Over 500 Nationalists took part in a march through the former East German town of Dresden recently, calling for the expulsion of immigrant "Guest Workers" from United Germany. Dresden has a large population of "Guest Workers" mainly from Vietnam and Mozambique.

Frankfurt City Council are to discuss a proposal that the local jewish community should be given regular financial aid to safeguard it's existence and future development. The proposal, if approved, would give the 5000 strong jewish community a non-repayable grant of £250,000 this year, rising to £700,000 a year by 1993.

POLAND

Following the financial success of both the Ann Frank diaries, and the more recent Esther Vriesland version, yet another "Holocaust Diary" is to be published soon. This one claims to be the authentic diaries of former Warsaw ghetto resident Abraham Lewin.
Mr Lewin's diaries were alleged to have been "discovered" in the ruins of Warsaw in 1950. Although origionally written in Yiddish, we are told, they will now be translated and published worldwide..

CANADA

The Simon Wiesenthal Centre in Los Angeles, has presented the Canadian government with a new list of EIGHTY-ONE alleged war criminals believed to be living in Canada.

SOUTH AFRICA

Since the Black terrorist group, the ANC was legalised in February this year, murder by "necklacing" (execution by placing a petrol soaked car tyre around a victims neck, and then setting fire to it) has increased from 12 such murders in the WHOLE OF 1989, to 114 IN JUST EIGHT MONTHS...?

MAD MEIR ASSASSINATED

Rabbi Meir Kahane,"Godfather" of the neo-terrorist group, The Jewish Defence League, was assassinated by an Arab gunman in New York recently. "Mad Meir" as he was known, founded the JDL in 1968. The group armed themselves, and physically attacked anybody who dared to oppose Israel, or critisise the zionist version of the "Holo-Hoax". Amongst their victims was the internationally respected Revisionist Organisation, The Institute for Historical Review, whose premises were fire-bombed by JDL terrorists.
In 1971, "Mad" Meir moved to Israel and founded the extremist KACH party, whose policies advocated expelling all non-jews from Palestine. Kahane's supporters have vowed to avenge his death by "spilling rivers of Arab blood".
*** In 1981 "Mad Meir" was banned from entering Britain by the Home Secretary, who said "..his presence in Britain would not be conductive to the public good". Meir defied the ban, and was arrested at Heathrow airport and deported..

BNP MARCH FOR WHITE RIGHTS

Over 200 people, young and old, marched behind the BNP banners, demanding "RIGHTS FOR WHITES" in East London recently.

The march was held as a protest against the acquittal of eight Asian youths who had been charged with the stabbing of Bethnal Green schoolboy, John Stoner, who was attacked and stabbed in his classroom at Morpeth School, Globe Town.

As the marchers proceeded through the heart of East London, lustily singing "Rule Britania" and chanting "RIGHTS FOR WHITES", they were applauded by the local population, from both the pavements and from the balconies of nearby flats. Local resident Mrs Sonia Hochenfelder, told our "Sentinel" reporter, "..it's about time somebody stood up for the Whites around here. Today, I feel proud to be British". Many locals joined the march on route, amongst them several young children. Also joining on route was an EIGHTY YEAR OLD FORMER BLACKSHIRT, who had marched these same streets with SIR OSWALD MOSLEY, many years ago.

The rally following the march, was addressed by John Stoner's step-grandfather Mr George Happe.

"EAST ENDERS"

Mr Happe said that although he didn't agree with all of the policies of the BNP, he thanked them for supporting young John, and commented that they were the only people interested in demanding justice for the boy.

The final speaker was Mr John Tyndall, Chairman of the BNP, who delivered a fiery speech, saying that it seemed that the struggle for an end to the multi-racial state was being left to the "working class" and that they must take up the challenge.

The begining of the march was picketed by "Teachers against Racism", a Front organisation for the Socialist Workers Party. When they were finally allowed to stage a counter-march, local residents THREW EGGS AT THEM....

WE MARCH !

Hark, a host of mighty men are marching,
Keen, courageous, strong of purpose
Having knowledge, armed with learning,
Forth to fight the lie audacious.

Stranglehold on life and laughter,
Foe that cramps the nations power.
Fatal weakness, dire disaster
Darkly clouds the nations hour.

Nordic, Anglo-Saxon men, thy
Father's freedom, thy women's honour,
Bought with labour, blood and hardship.
Fight for it now with strength and wisdom.
Heritage of mighty sonship, racial purity.

A.R. Mills.

WAS IT HESS IN SPANDAU ??

The mystery surrounding the MURDER OF RUDOLF HESS took another bizarre turn recently, when a Dutch television director, Mr Karel Hille, claimed that he had possesion of a SECRET BRITISH FOREIGN OFFICE FILE which states that the PRISONER MURDERED IN SPANDAU, WAS NOT HESS.

Mr Hille's story is that the file was stolen from the Foreign Office archives by the then HEAD OF THE SECRET INTELLIGENCE SERVICE (MI6), Sir Maurice Oldfield, in an attempt to preserve the truth, and to thwart those wishing to continue the subterfuge by destroying vital documents.
This file, Mr Hille claims, includes "..the full transcripts of the interrogation of Hess, by Lord Simon, who was the Lord Chancellor, in 1941, and letters from British government ministers stating that they believed that the interrogation results proved that the German Pilot that landed in Scotland on May 10th 1941, WAS NOT RUDOLF HESS" !!
The official files on Hess, which are held in London, remain closed to the public until 2017, but, the Foreign Office, guardians of the file, have admitted that "..SOME DOCUMENTS, HAVE GONE MISSING".
If Mr Hille's assertions are true, then it would mean that British Ministers have lied, not only at the Nuremberg Trials, but also to the British Parliament.. COULD THIS BE TRUE ?? COULD THIS BE THE REASON THAT PRISONER NUMBER SEVEN WAS MURDERED IN SPANDAU PRISON ???

ODIN'S SONG.

Awake Children of the Raven !
You have slumbered too long, the
dark night must end.
The mists of time have covered you
with blankets of softness,
throw them off, the morning breaks !

Unite, Children of the Raven !
You of one blood keep faith, find
again your greatness as of old,
it is there within your hearts, a
flame burning.

Arise, Children of the Raven !
Once more come forth into the sunlight,
high in the hills the old Gods sing of
battle, harken to their song.
Take up your bright spears again and fight,
the enemy is upon us !

LEAGUE OF ST. GEORGE.

VIEWPOINT

The Director of the Simon Wiesenthal Centre in Israel, Mr Ephraim Zuroff, is now claiming that "hundreds of Lithuanian War Criminals may be living in Britain". Mr Zuroff is to ask the British Government for assistance in bringing them to "justice".
Now it is fairly obvious that a career as a "Nazi-Hunter" is not a very good "long term prospect". With the majority of alleged "War Criminals" now in their eighties, one must wonder just what the employees of the numerous Wiesenthal Centres will be doing in twenty years time ? Will they still be hunting 100 year old "Nazis", or will there be a campaign to persecute "THE SONS OF THE WAR CRIMINALS" ???????

An Iranian waiter, peacefully protesting outside the London offices of the Israeli airline El Al, has been fined £150 for displaying a poster with a SWASTIKA, and the word "MOSSAD" on it.
The protester was convicted of "DISPLAYING A SIGN WHICH WAS THREATENING, ABUSIVE OR INSULTING, WITHIN THE SIGHT OR HEARING OF ANY PERSON LIKELY TO BE DISTRESSED".
I wonder if this law will also apply to signs such as "TROOPS OUT OF IRELAND" ??

It is a fallacy that Jews are tight with their money, says the Board of Deputies. In fact, "they are extremely generous" we are told. So can anybody explain why is it that the Israeli Government are issuing Gas Masks FREE OF CHARGE to Israeli's, but Palestinians must BUY THEM at £10 EACH ?????????

NEW BID TO END FREE SPEECH

A new campaign has been launched by Labour MP, GREVILLE JANNER, demanding the prosecution of producers and distributors of "ANTI-SEMITIC" literature. Over 100 MP's are said to have signed the motion, calling for "swift and effective action".
Janner is concerned that none of the twenty-one "racist" publications referred to the Attorney-Generals office by Jewish Board of Deputies (of which he is a leading member), has yet resulted in prosecutions.
It isn't yet clear whether the campaign will only cover alleged "hate material" aimed against Jews, or if it will also encompass "ANTI-CHRISTIAN" PUBLICATIONS.

BLACKSHIRTS and ROSES. . . By John Charnley.

John Charnley was the Blackshirt District Leader for Hull, during the turbulent decade that led up to the Second World War. Charnley tells of the Battles of Cable Street, and Corporation fields. The Earls Court Rally, and his years of imprisonment in the infamous Isle of Man "concentration camp", where he was held under defence regulation 18b. The book gives a unique insight into the life of a man, whose experiences streched from being thrown bodily through a plate glass window, to tea at a Buckingham Palace garden party.
